Skills and Strategies

Apply the following reading strategies with increasing independence:

- Use a phonics first approach for decoding unfamiliar words and practicing known graphemes
 - Blend known graphemes when reading words
 - Segment known graphemes when reading words
- Identify simple text features such as titles and pictures to indicate what a text is about
- Talk *about* books (when not decoding) make meaning from visual features of the text, e.g. illustrations and captions to help discussions (decoding)
 - Develop reading accuracy decodable text
 - Self-correction including re-reading words
 - Identify and locate pre-taught vocabulary
