| Over Hall Community School	Year: R	Computing – Understanding The World

What should I already know?

- To use 2Handwrite
- To use 2 Paint A Picture
- To use 2 Pairs

What will I know by the end of the unit?

- **Can I use Purple Mash to find out about different topics?**
To quickly find any resources to support the topic you are doing, type in the topic name in the search bar on the home page of Purple Mash, this will show you all the resources on Purple Mash and Mini Mash which support the topic.

- **Can I use a map in Simple City?**
You can talk about the different places that they could visit in the city. What can you see on the map? What do you think it would be like to visit the place? How are the places different? What would it be like to visit the farm? What would it be like to visit the vets? Do the you live near to any of the things you can see in Simple city? What do you live near to and what is it like? Have you ever visited any of the places in Simple City (The Farm, the park, the vets etc.)? What was it like when you got there? Where would you like to visit that you haven't been to before? Why would you like to go there? What do you think they will see when they get there?

- **Can I show what I have learnt?**
Use 2 Connect to show all the learning that you have done around your chosen topic!

Key Questions

- **What is 2Connect?**
2Connect is an app in Purple Mash that creates a topic web about everything you know.
- **How do I use search in Purple Mash?**
Using the search bar you can type in a word and it will show you all the resources to do with that word!

Purple Mash Resources
